Dear Friends,

For over 60 years, The Children's Home Foundation has offered financial assistance to residents of the Eastern Shore of Maryland. It is a non-profit arm of the Episcopal Diocese of Easton. Since its inception in 1959 the foundation has awarded scholarships, grants and camperships in excess of \$5 million dollars.

Scholarships are awarded to individuals in need of financial assistance to obtain vocational and technical training in postsecondary accredited institutions in order to enter the workforce, or to improve employment opportunities. Now, more than ever this program deserves support. Grants enable children and teens, who might not otherwise have the opportunity, to attend summer camp. And, because it is difficult to get a job without a driver's license, some students have received help with the cost of driver's education. This is a new CHF program started within the past two years, because so many local school systems have discontinued drivers education.

The foundation has a 501(C)-3 designation and is administered by a volunteer Board of Directors from all the counties on the Eastern Shore. Over 97% of all charitable donations go directly to our scholarship recipients.

Education and enrichment are the focus of the foundation, and it is our hope that you will consider donating to this worthy cause. Because of this year's Covid 19 Pandemic, we need your support more than ever in the form of monetary gifts, modest or otherwise.

Always feel free to contact us if you are aware of individuals who might benefit from one of these programs. To learn more about our Episcopal organization we invite you to visit our website at: www.childrenshomefoundation.org. During this most difficult year please know that your support and prayers will help us continue in our work for our citizens who need it the most. "Inasmuch as ye have done it unto the least of these, my brethren, ye have done it unto me." Matthew 25:40.

Most sincerely,

Your tax deductible donation made payable to CHF may be sent to:
